TOGETHER WE GROW

Kia ora koutou,

We have made it to the end of another term. Our students have been involved in a wide range of learning experiences and continue to make us proud. We wish everyone a restful term break and we all look forward to the exciting learning for term 3. School will reopen for instruction on the 22nd of July. We will be beginning the term with our mihi whakatau in the hall at 9.10am.

Jump Jam

Last Friday we entered two teams into the Taranaki Jump Jam competition at New Plymouth Girls High School. We had a junior team who competed in the year 1-4 category and a senior team who were years 4-8. Sarah Oakes and Zoe Robinson had been working hard with the teams to learn the routines and our students performed amazingly. Both teams were recognised for their support of other groups, which made us really proud. Our junior team were the champions of their division. Thank you to all the parents who came to support on the night.

New Staff

Welcome to our school Nikki and Aaron. They will be supporting students in our Kowhai, Pohutukawa and Korokio classes.

Interschool Sports

Last week we had our last interschool exchange against St Patricks from Inglewood. We had a really close game in the netball. The team has made amazing improvements over the 4 exchanges. Our football team had a victory and played with confidence and enthusiasm. Thank you to the supporters, our coaches and our parents who sent food in. A special thanks to Glenda who organised the table and kai for our visitors in the hall.

Reports

Mid year reports are being sent home tomorrow (Friday 5th July). You will notice that there has been a change of format this year. This is to enable staff to indicate your child's effort towards our values and vision as well as their learning. Changes were also made to manage staff workload in
