

School Fun Run FUN!

TOGETHER WE GROW

Kia ora koutou,

We would like to thank all parents for their support on Friday. We were contacted early Friday morning by NPDC in regards to closing the school because of the sewerage issues. It was a good practice to test our emergency contact procedures and we have been able to make some tweaks to our system. If you have any feedback please contact me via email principal@moturoa.school.nz. The closure was due to a tallow spill into the sewerage system. I am meeting with Port Taranaki and the company involved to explain the effect of the disruption to our school.

Nga Mihi, Hamish Hislop

School Interviews

Thank you to all parents who made it to these meeting to discuss your child and learn more about their learning. If you were unable to make it, please book in a time with your child's teacher after school.

School Holiday Programme

Spring is a-coming at Rotokare and the forest is full of blooms and baby birds. Join them in their fab October School Holiday programmes and make the best of spring in the native bush! For more information and bookings, please contact Ash at [06 764 8500](tel:067648500) or educator@rotokare.org.nz

School Camp Notices

The senior school camp notices and forms have been handed out to be filled out and returned. We will be having a parents information meeting on Monday 23rd Sept at 5.30pm. It would be great to have everyone attend.

Disco - Friday 13th September

Have you got your ticket yet? Come grab one of Karlene. Tickets are \$2 each per child and are on sale from Karlene. Come dressed as something starting with "M".

The disco is from 6pm-7:30pm on this Friday!

There will be drinks, chips and lollies available for sale as well as glow sticks so bring your spare change!

My School Rules

We came SECOND!!!! \$3000 has been deposited into our bank account today.

Thank you, thank you, thank you to everyone who shopped at Centre City over August. Thank you to everyone who shared the message with their family and friends also.

Gem, Rock and Mineral Show

September 14th and 15th @ the East End Surf Club. Entry is a gold coin per person. Head along between 9am - 4pm on Saturday or Sunday!

School Fun Run

What a great morning we all had. The rain stayed away for the most part of it. Thank you to all the parents who attended to watch their child's race. They are so happy when they see you. Congratulations to the children that competed in the New Plymouth Cross Country on Tuesday: Brylee, Jasmine, Brooke, Troy, Jahziah, Manu, Niesha, Emilia, Addison, Richie, Luka, Alex and Seth.

Maori Language Week

This week is Maori Language Week. Our students have continued to work on their understanding of Te reo (language). We always incorporate our te reo into everyday teaching. Our Kinga (saying) is Mā te mahi o te katoa, ka eke (By the work of all, we will rise) supports the way our school works together.

INVITATION

Moturoa School

Trees for Survival Open Morning

Tuesday September 17th, 9.30-12.00

You are invited to visit Moturoa School and see the native plant propagation and integrated learning programme in action and hear about our Taranaki wide planting programme.

The students are growing and learning about Taranaki's indigenous plants with a particular focus on rare and threatened coastal species. All of the children are involved in the full cycle of propagation from seed and cutting material and are involved in real conservation actions by planting out the threatened species they grow in natural habitats, reserves and public gardens in various Taranaki locations.

Students from the school's 'Native Plant Study Group' will also give guided tours of the extensive native plant gardens in the school grounds which feature the special Taranaki species that they grow, plant and distribute throughout the region.
